- Seminar

At the present time the senior seminar leaders are contacting your mentors to thank them for giving their time to work with you to complete your fieldwork hours. Please make sure your seminar leader has the correct contact information.

I—Search Paper

The first draft of your I—Search paper is due on or before Tuesday, February 2, 2010. Refer to the I—Search Paper Rubric **before** you submit your first draft. The rubric is written so that you know what is required.

When you are citing your sources, you must also include a *Works Cited* section as the last page of your I—Search Paper. Your handbook contains examples of how to cite sources and how to format the *Works Cited* section.
